

Babocush Newborn Comfort
Cushion

Testimonial

"I signed up for the Platinum Plan and can honestly say it propelled my online business more than I could ever have wished for. My sales increased dramatically within a couple of days and throughout the duration of my plan, I was contacted on a daily basis by hundreds of retailers and distributors and even the likes of Amazon Exclusives who, if it wasn't for Gadget Flow, would probably never have seen my product. Whatever the query, when you email Gadget Flow, you are guaranteed to hear back from one of their fabulous, happy, helpful team within a few short minutes. Best decision I ever made!"

- Kerry Nevins Owner / Director

Product name: Babocush Newborn Comfort Cushion

Package: Platinum

About the product

An unsettled baby can be tough on your household. Settle and soothe your baby with the Babocush Newborn Comfort Cushion. In addition to a multitude of benefits, this system gently, and securely, calms your baby. The babocush can prevent colic and acid reflux, relieves wind, and allow your baby's airways to relax.
