Type: Kickstarter campaign

About the product

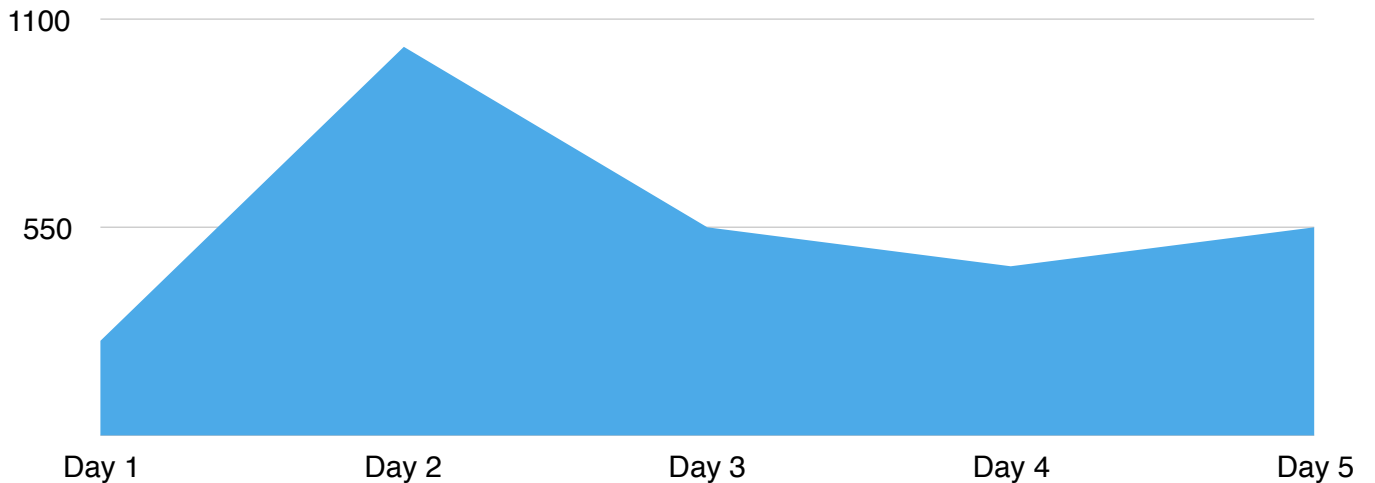

The jamstik+ is a digital SmartGuitar with real strings and real frets. It connects wirelessly to iPad® iPhone® and Mac® and works with a multitude of music apps for beginners and pros alike. The jamstik+ senses where your fingers are before you even pluck a string which makes learning incredibly intuitive via our included guitar teaching curriculum. It's always in tune, and is a breeze to connect wirelessly with your device via Bluetooth LE.
