

Eight Smart Bed

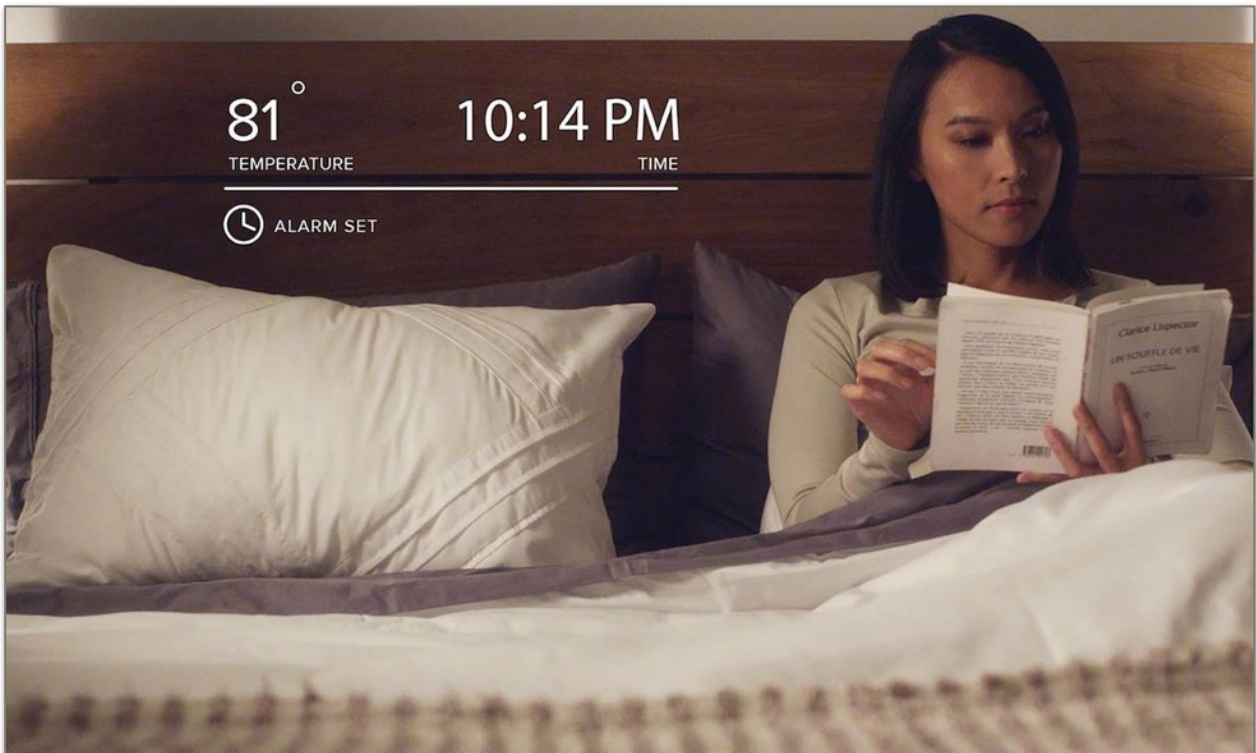

Product name: Eight Smart Bed

Package: Premium

Listing link: ([click here](#))

Type: website

About the product

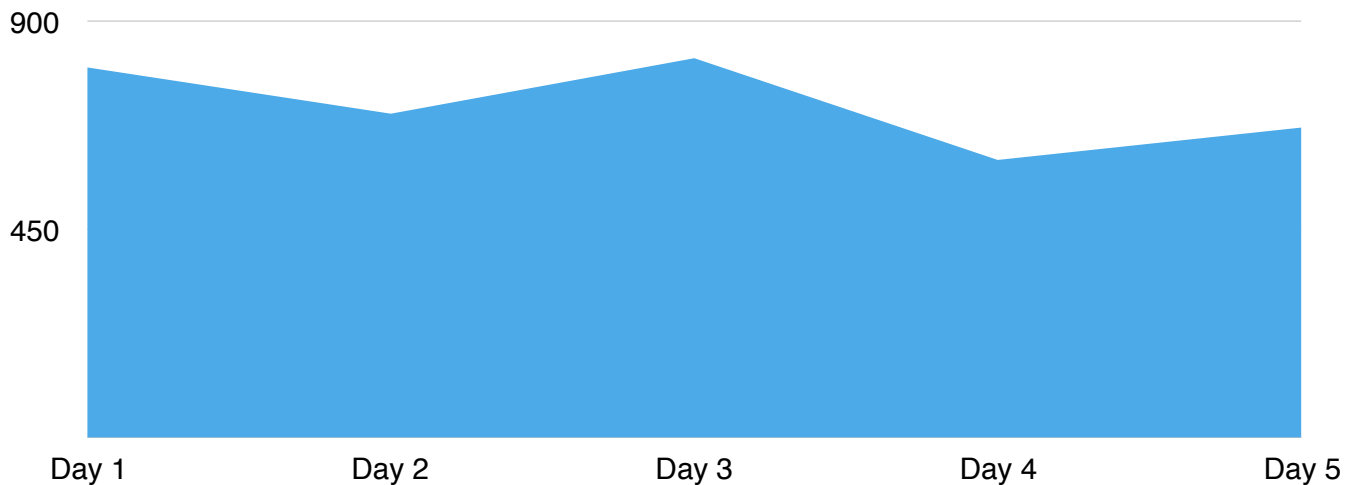

Your bed is one of the most important, maybe even favorite, pieces of furniture in your home. Your bed is essential, but it's definitely not smart. You can get crazy mattresses with sleep numbers, multiple zones and huge price tags, or you can check out Luna, the mattress cover version of that pill Bradley Cooper took in Limitless. The smart mattress cover is mobile controlled and will set personalized temperatures in each side of the bed.
