About the product

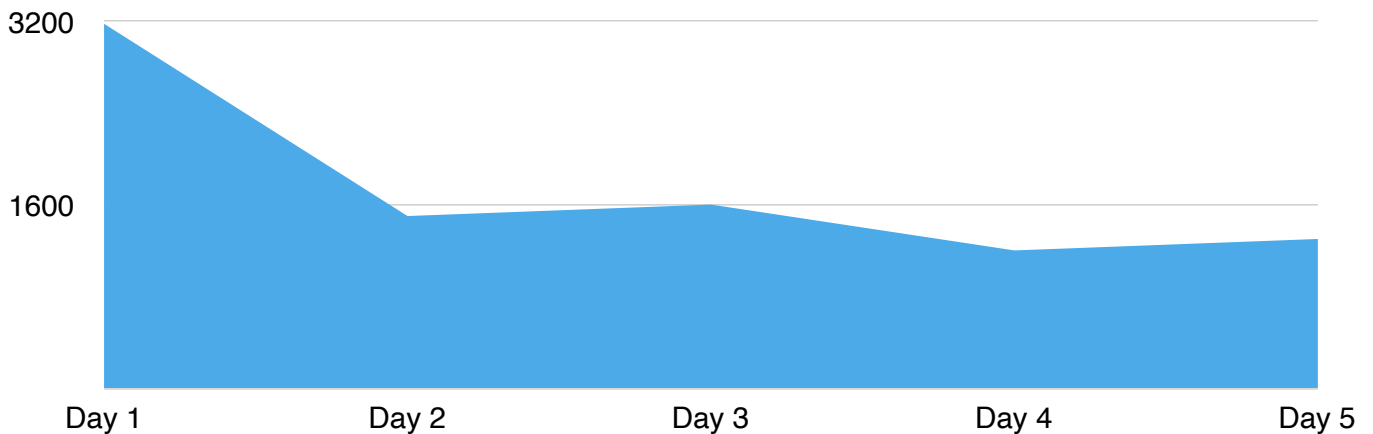

Take your power into your own hands with the Mango Power Union detachable and portable home power station. Welcoming you to the future of energy security, this gadget keeps off-grid power right in your home. A 2-in-1 detachable home power station, it has a 6,900 Wh capacity battery with 4,350 W output. Thanks to this, it runs like a dream even while powering your most important appliances during an emergency.
