

Octopus, the first icon-based
watch & scheduler for kids!

Product name: Octopus, the first icon-based watch & scheduler for kids!

Package: Basic

Listing link: ([click here](#))

Type: Kickstarter Campaign

About the Product

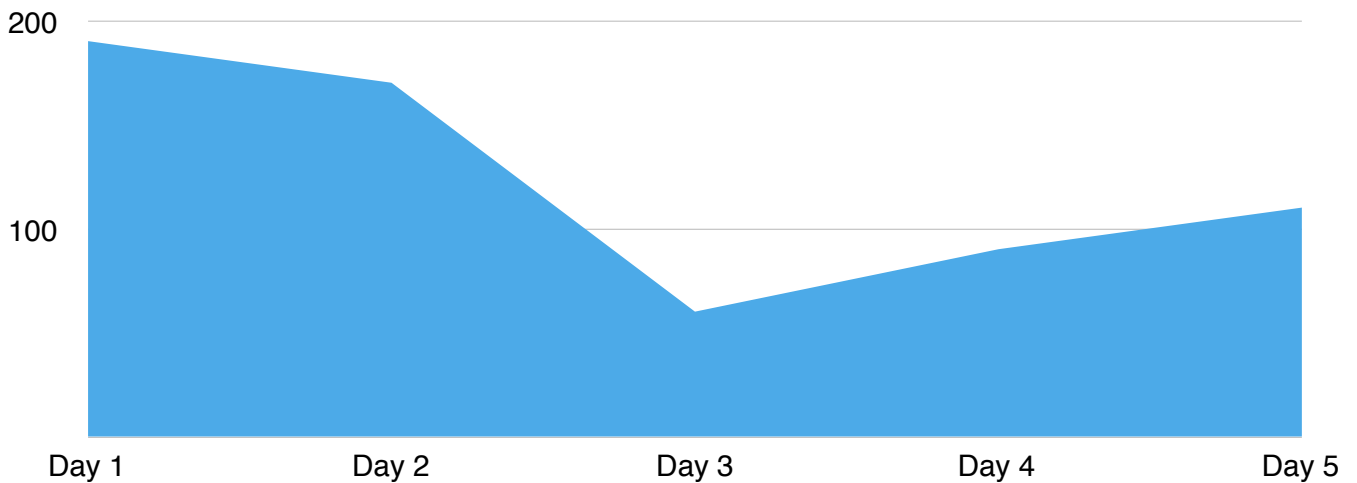

Octopus is the first icon-based watch that teaches kids good habits and the concept of time. First off, it's a watch. It gives the time with icons, making it the first clock that young kids can actually read and understand. It helps children conceptually link time to events. It's also a scheduler for children, which helps foster responsibility, independence and self-esteem.
