

Pocket Tripod

Testimonial

"The Gadget Flow is just excellent. We made more than \$2,000 with just a \$369 investment with their basic package. So if you haven't already, I definitely recommend using them to generate sales."

About the product

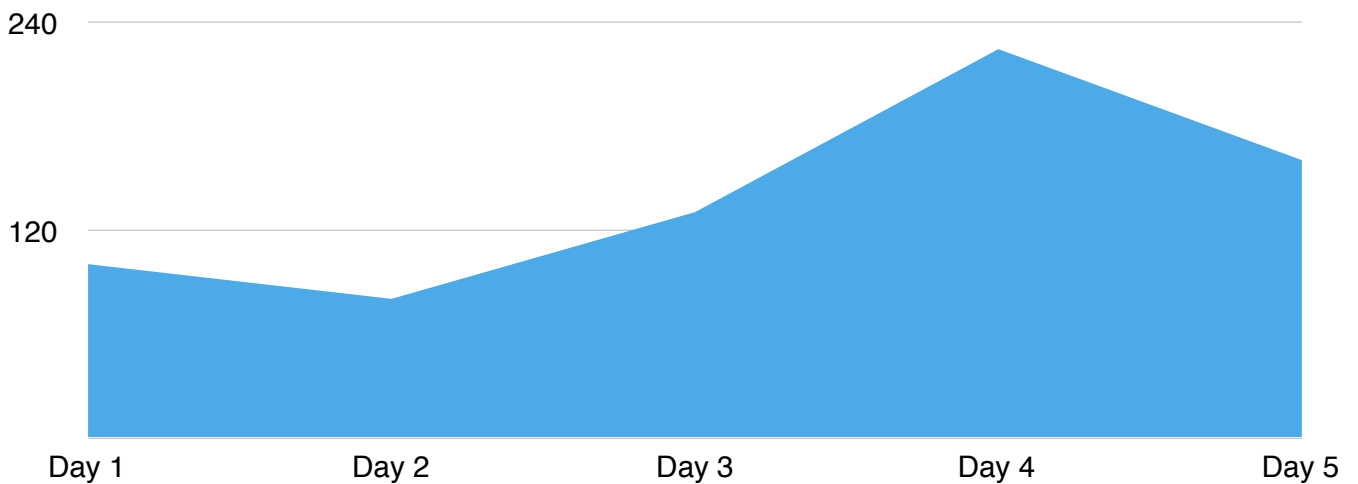

The best iPhone stand is the one that's with you. Leave your bulky tripod at home. The pocket tripod is a must-have gadget for your iPhone that discreetly hides away in your wallet or purse until it's needed. It quickly transforms into an adjustable stand with a simple twist and flip. Thanks to its precise angle adjustment capability, you can use any surface to prop up your device in order to make hands-free FaceTime calls.
