New York, 10004, USA

Testimonial

“We were proud to be featured on the Gadget Flow. It helped us to drive significant sales and we got great exposure in many channels. We couldn’t achieve this level of success without the support from Gadget Flow. Will definitely return next time.”

-Aiden Fang, Co-founder of Retio

About the product

Use the Retio retro radio speaker to cherish memories through time and music. Capturing a classic aesthetic, this is a radio, Bluetooth speaker, and clock. Handmade in the USA, it uses rare vintage nixie tubes from the 1960s–1980s. Its 6,800 mAh battery supports six hours of playback to accompany you while you relax, study, or work.
