About the product

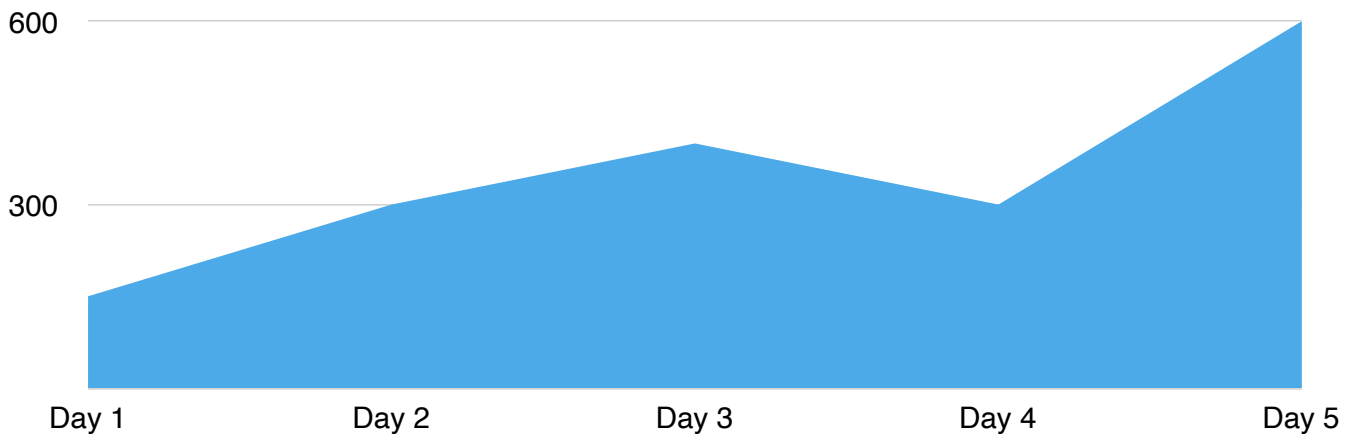

Use one bag that does it all when you have the VELO 3-in-1 expandable hard-side luggage. This suitcase can actually switch between 3 sizes: 16" small carry-on, 22" medium check-in, and 26" large check-in. With a water-resistant PU exterior, it can withstand light rain even after expanding. Its durable and sleek design expands due to its extra-wide pop-up handle and the buttons on the top. Simply press the button and then either pull to expand or compress to reduce the size of VELO in seconds.
